YOUR PRAYERS ARE CHANGING LIVES!

On August 3-9, we are presenting our many ministry initiatives at Gull Lake Family Camp in MI. One such initiative is our summer Bible camp ministry, which reaches the hearts of young boys and girls in Eurasia with the love of Jesus.

During the warm summer season, no ministry is more impactful than Bible camps. During our special weeklong camps, young leaders trained through School Without Walls (SWW) lead fun activities, distribute Scripture, and share the gospel with thousands of hurting children.

Last summer, Veronica (pictured on front cover), a young girl from Vladikavkaz, Russia, found new life in Jesus at one of our summer Bible camps. Sadly, Veronica's father is abusive, so at the start of camp, she was very violent toward the other children. But after she heard the story of the prodigal son, her heart began to change. As the SWW leaders shared God's love with her, Veronica became more gentle and kind, and at the end of camp she accepted Christ as her Savior!

Please pray that God would continue using this year's summer Bible camps to share His healing love with even more hurting children in Eurasia.
