**UPCOMING MINISTRY EVENTS**

**March 9-11:** School Without Walls (SWW) leaders in Rishon LeZion, Israel are hosting a special Easter Bible camp for children in their community.

**March 14:** We are hosting a training conference in Chisinau, Moldova on spiritual renewal for SWW leaders from SWW centers throughout the country.

**March 26-28:** In partnership with the Maclellan Foundation, one of our most faithful supporters, we are leading a workshop in Lviv, Ukraine called *Best Ideas and Practices for Christian Organizations: Highly Effective Ministry Governance*. During this workshop, which is the first of its kind in Ukraine, about 50 NGO leaders and board members are learning about the importance of effective leadership.

**SWW:** We are training, equipping, and mobilizing thousands of Next Generation leaders throughout Eurasia and Israel to share the life-changing gospel with their neighbors, communities, and entire nations.

**YOUR PRAYERS ARE CHANGING LIVES!**

In war-torn eastern Ukraine, where thousands of men, women, and children continue to endure unimaginable hardship, School Without Walls (SWW) leaders are using our “I Care” Refugee Assistance Program to distribute life-saving humanitarian aid and share the healing hope and peace offered only in Jesus.

Recently, these young leaders visited a small village near war-ravaged Donetsk, where they met many suffering people, including Raisa (pictured on front cover), whose husband was killed during a shelling attack.

Despite her loss, Raisa is committed to serving her hurting neighbors. “I find such joy in caring for others and reading my Bible every day,” she shares. “Thank you for not forgetting about our village! I am so grateful for the fresh bread and food you bring me.” Now, Raisa is sharing the food the SWW leaders bring her with her neighbors, and her generosity has opened the door for her to share the gospel!

Please pray that God would use “I Care” to touch the hearts of even more hurting people in Ukraine with the eternal love of Christ.
