**Once a captive to alcohol and sin, brother Valery is a miraculous example of how God can deliver and completely transform a life.** As Valery shares, "The changes in my life did not take place immediately or in an instant." When Valery's wife and children left him because of his heavy drinking, his world turned upside down. "I was shocked, devastated, and I didn't know how I could keep living," he revealed.

But God sent believers to Valery, including young leaders from Mission Eurasia, who shared the gospel and gave him copies of God's Word. When Valery decided to earnestly seek God, he found Him! "Jesus' example inspired me and His gospel words and almost tangible presence changed my life. Looking back, I see that I am now a different person. My thoughts and priorities have changed.

I no longer curse, smoke, or drink. I enjoy studying the Bible and serving God because the Holy Spirit now lives in me. ***I am so grateful that someone once gave me a copy of the Living Word of God!***
